About GERJA

GERJA is a new-generation **German automotive brand** built on **precision, durability,** and **intelligent engineering**. Born from the fusion of **German performance** and **Japanese engine technology**, GERJA brings a new definition of **reliability** to the modern driver.

17 Years of Global Experience: After nearly two decades of serving customers worldwide and representing multiple automotive brands, we're now building our own brand. Drawing on our deep understanding of what customers truly want, we're expanding GerJa across Africa and the world.

About the GerJa Rovian

Designed for the large family or corporate team, this MPV redefines space and efficiency. The 2.0L+BAT Hybrid powertrain delivers responsive performance and exceptional fuel economy for a vehicle of this size, making long-distance travel and daily commutes surprisingly economical. With flexible seating for up to nine passengers, it features a massive, adaptable cabin that can easily transform for luggage, equipment, or maximum occupancy. Standard safety features like ABS/EBD/ESC and driver/passenger airbags ensure peace of mind, while the automatic transmission offers a smooth, car-like driving experience. German engineering meets Japanese reliability in a full-sized people mover that masters both practicality and comfort.

Key Highlights

Spacious & Flexible	Strong Performance	Comprehensive Safety	Practical Features
✓ Offers 7- and 9-seat layouts to suit various passenger needs, ideal for both family trips and business use	✓ 2.0L engine paired with 8AT gearbox for a balance of power and fuel efficiency	✓ Equipped with ABS, EBD, ESP, TCS, HHC, and EBA for all-round driving protection.	✓ 10.25" smart touchscreen supports phone connectivity, WiFi hotspot, Bluetooth audio, plus reversing radar and camera for easy operation
